Legislative Report No. 8 ***2017 Kentucky General Assembly***

The Kentucky General Assembly adjourned Wednesday night for their ten day veto recess. They are scheduled to return to Frankfort for the final two days of this session on March 29 to consider any veto's the Governor may issue. It is likely during the final two days the General Assembly will continue to pass legislation, before they adjourn sine die on March 30.

The next meeting of the Kentucky Department of Fish and Wildlife Resources Commission will be today. At this meeting they will establish the number of black bear takes for the 2017 hunting season. As previously mentioned Kentucky Farm Bureau sent a letter to the Commission requesting that the black bear female takes be maintained at twenty for the 2017 season, rather than being reduced to seventeen.

Some bills of interest which we are following:

[SB 83: T. Buford - AN ACT relating to fish and wildlife.](#)

This bill will allow the Department of Fish and Wildlife Resources to identify areas of the state that pose a significant risk to agriculture or to human safety from automobile accidents and identify permissive measures for the department to implement including special hunts and increasing the doe harvest. This bill passed the Senate 37-1 and the House 88-5 and will now head to the Governor for his signature.

2017 State Priority Issue:

"Seek effective wildlife management that will reduce the wildlife population in an effort to alleviate continued crop and livestock losses, automobile accidents, human injuries, and loss of life."

[SB 139: R. Webb - AN ACT relating to livestock.](#)

This bill would amend various KRS's to include equine in the definition of livestock. This bill would not amend any KRS pertaining to sales and use tax. This bill passed the Senate 38-0 and the House 97-0 and will now head to the Governor for his signature.

KFB Policy:

"We recommend recognizing equine as livestock and the horse industry as an agricultural commodity to remove the disadvantage that currently exists in relation to other livestock."

HB 200: D. Osborne - AN ACT relating to orders of restitution and forfeiture following a criminal conviction of cruelty to animals in the second degree.

This bill would amend KRS 525.130, relating to cruelty to animals in the second degree, to allow a court to order an offender to pay restitution for the upkeep of a horse involved in the offense and terminate the offender's interest in the horse involved in the offense. This bill has passed the House 94-0 and has passed the Senate 38-0 and will now head to the Governor for his signature.

SB 249: J. Carpenter - AN ACT relating to the Energy and Environment Cabinet.

This bill would remove the Environmental Quality Commission and the Kentucky Mining Board from under the Energy and Environment Cabinet. This bill also changes the requirements to qualify for the Director of the Division of Conservation by removing the graduate of a recognized agricultural college and the minimum five year requirement in professional agricultural activities. It also deletes the requirement of the Soil and Water Conservation Commission "approval" of the director's compensation and amends it to the word "advice". This bill has passed the Senate on a vote of 36-1 and passed the House 64-29 and will now head to the Governor for his signature.

HCR 48: W. Thomas, L. Bechler, M. Dossett, T. Herald, J. Petrie, M. Prunty

This resolution would urge the United States Food and Drug Administration to withdraw its proposed standard for NNN levels on ingredients and constituents in smokeless tobacco products. This bill has passed the House and was passed by the Senate Agriculture Committee on Wednesday and placed on the Senate Consent calendar.
