Legislative Report No. 14 ***2018 Kentucky General Assembly***

Last night the Kentucky General Assembly adjourned until Monday, April 2, 2018. They will reconvene on Monday and then adjourn for the ten-day veto period and will return on Saturday, April 14, 2018.

The State Budget Conference Committee will be meeting today and possibly tomorrow to finalize the state budget and a potential tax reform package. Kentucky Farm Bureau has been communicating both our budget priorities and our taxation priorities, which include maintaining Kentucky's sales and use tax for agricultural inputs and maintaining Kentucky's current laws regarding property taxes.

When the General Assembly returns on Monday, they are expected to pass the state budget and potentially a tax reform package.

Other bills of interest:

[HCR 7: B. Reed, M. Castlen, M. Hart, R. Heath, DJ Johnson, K. King, R. Rothenburger, B. Rowland, S. Rudy, J. Shell, W. Thomas, J. Tipton](#)

This resolution urges the United States Fish and Wildlife Service to issue more migratory bird depredation permits and sub-permits to allow Kentucky farmers to legally take black vultures that are depredating their livestock. This resolution has passed the House and Senate and has been delivered to the Governor for his signature.

KFB Policy:

"We encourage a more readily available permit process for nuisance wildlife such as the American black vulture."

[HB 133: Rep. Tipton - AN ACT relating to the transportation of agricultural commodities and supplies.](#)

This bill will amend KRS 281.730 to define "agricultural commodity," "farm supply for agricultural purposes," and "planting and harvesting season". It will exempt drivers of vehicles transporting agricultural commodities and

farm supplies for agricultural purposes within a 150 air-mile radius from a farm or distribution point during the planting and harvesting season from any provisions of 49 C.F.R. pt. 395, relating to hours of service of drivers. This bill will bring Kentucky's air-mile radius up to date with the federal 150 air-mile radius. This bill has passed the House and Senate and has been delivered to the Governor for his signature.

KFB Policy:

"We support legislation that clearly defines the right of farmers to transport their products to market and to move their equipment by the most economically feasible method."
