

County	OFWMP Site Visits
Bourbon	600 acres, 200 head cattle. Spring development and rainwater harvesting
Mercer	Large cattle operation
Mercer	Center pivot irrigation
Franklin	Cattle
Oldham	Pond renovation. Small cattle operation
Henry	veggie csa. Micro dairy
	Comments
Bell	
Lincoln	
Marion	
Nelson	785 acres corn and soybeans, irrigation project.
Greenup	Greenhouse operation, no onsite water
Spencer	Cattle, water harvesting, redirection. Pond restoration
Garrard	Orchard, drip irrigation, some livestock
Lee	High tunnel irrigation of fruit trees
Graves	high tunnel, herbs and floral
Whitley	Vegetables, high tunnels, Market garden
Fayette	Livestock waterers, rain water harvest
Garrard	
Laurel	38 acre organic vegetable operation
Monroe	Cattle. Probably not a great candidate. More interested in hooking up ritchies to city water
Jackson	Orchard (15-20 acres) and nursery (6 acres), Small pond onsite, may be developed; Irrigation needs in July-Aug-September, Water bill ranges \$280-450/month; Drip irrigation system in place
Jackson	
Pulaski	
McCracken	
Grayson	
Washington	
Lincoln	Looking to redirect water from a bull development center to a pond that is used as a water source already for 500 head of cattle
Clinton	
Mercer	beef cattle and quarter horses. Issues with mud and erosion more than water shortage
Anderson	
Washington	
Madison	43 acres. Cattle

Woodford	
Logan	
Marshall	Mixed vegetable and fruit production, some high tunnels. Some tobacco. Already has some moisture sensors, but looking to add more. Watering from wells
Grant	225 acres. Beef cattle, cow/calf operation. Has a creek and some ponds that they want to fence out. Doesn't seem interested in using the ponds for water for cattle. Wants to strategically place some waterers for rotational grazing
Clark	1361 acres, 150 cow calf, some feeders, 2 creeks 2 ponds no municipal water source.
Casey	
Hardin	
Christian
